Announcement

Attention 2023 admission aspirants for B.Tech at NITK

The admission to first year B.Tech at NITK Surathkal is through JoSAA/CSAB common seat allocation process on the basis of JEE rank. There will be six JoSAA rounds for IIT/ NITs and a few CSAB rounds after the completion of JoSAA rounds only for NIT+ system. JoSAA - 2023 is coordinated by IIT Guwahati and CSAB - 2023 is coordinated by NIT Rourkela.

A few seats are available under DASA for B.Tech category. The NRI students who have studied their 11th and 12th Std. abroad and foreign students who have studied in India or abroad are eligible to apply under DASA category and their selection is through common counselling on the basis of JEE rank. DASA - 2023 is coordinated by NIT Calicut.

Please Refer to the JoSAA - 2023, CSAB - 2023 and DASA-2023 websites for any further details as and when they are open.

Further it may be noted that as resolved in the 62nd Senate meeting held on 23rd December, 2022, from the admission year of 2023 onwards, there will not be any branch change at NITK Surathkal after the first year. This is applicable to all those who get admitted in 2023 and later.
